Ritz Adventure Film Festival

SUNDAY EVENINGS 8th, 15th & 22nd MARCH

Though the core of our festival films are bold exploits and derring-do there is much more besides with contemplative works and the beauty of the outdoors. Please don't think "this isn't for me". If you are a climber, a biker, a skier, or a boarder, you will certainly not be disappointed; however, if you are none of these, you can still enjoy the grandeur of the natural habitat and the touching human tales told.

Full details of the content for each night are detailed on the Ritz website. Each week is a totally different showreel. For each event the doors open at 7pm with the show starting at 7:30pm. Each is approximately 90 minutes duration, category 12A and standard Ritz ticket price. Tickets can be booked online now or on the door on the night. For more information see ritzcinema.co.uk

Farndale Daffodil Walk

Enjoy a spring walk in the 'Daffodil Dale' to see Farndale's glorious wild daffodils. Thirsk's information office has a £1 guide.

It's a straightforward 3½-mile linear route alongside the enchanting River Dove, from Low Mill to Church Houses and back.

Depending on the weather, the daffodils are usually out between mid-March and mid-April, but this is a charming walk at any time of year.

Great for: nature nuts, riverside rambles, easy access.

Length: 3½ miles (5.6km) Time: 2 hours
Start/Finish: Low Mill car park, 4 miles (6.4km) northeast of Hutton le Hole.
Grid Ref: SE 673 952 OS Map:
Ordnance Survey OL26 Refreshments:
High Mill and Church Houses Toilets:
Start/Finish of walk.

About this walk

The path along the River Dove is clearly marked, from Low Mill to Church Houses. It's mostly on the level, with just two short inclines, and is largely surfaced.

There are several gates but no stiles. The field paths have steeper sections, and pass through farmland and farmyards; there are occasional stiles. All paths may be muddy in places.

The daffodil meadows and woodlands of Farndale are privately owned and form part of working farms.

Please stick to the paths and don't pick the daffodils – leave them for future generations to enjoy.

Please keep your dog under close control (preferably on a lead) at all times.
